Payment Policy

In an effort to avoid any misunderstanding, we request that you read our payment policy.

Fees may be paid as follows:

1. Payment is expected at the time of service. Please note: Your insurance policy is a contract between you and your insurance company. The company is responsible to the patient and the patient is responsible to us. We will file your insurance claim for you upon receipt of the required information. It would be appreciated that you assign benefits directly to us in order to avoid unnecessary finance charges.
2. Payment for non-insured services in full upon completion of treatment, unless previous arrangements have been made.
3. Credit card payments are accepted.
4. Monthly billing to credit card as agreed upon with our business office.
5. Estimates will be given and explained for all restorative treatment.
6. Care Credit is a payment option.
